

Easter

KITS

for employees

Support your employees

***- give them a unique gift
to celebrate Easter holiday***

Kits include only the best products from the best suppliers.
All prices include the costs of delivering the kits to employees' homes all over Poland.

Kit #1

Cress kit (Do it yourself)

The kit allows you to grow your own cress at home. By receiving the package before Easter each employee will be able to sow, water and watch it grow. The sprouted cress will make for a great decoration on the Easter table and as an addition to meals. A commemorative package of two milk chocolates is an extra holiday accent here.

THE KIT INCLUDES:

- a wooden box + airtight filling
- cress seeds
- the medium
- a sprinkler
- holiday milk chocolate bars – 2 pcs.
- a leaflet with instructions on how to grow cress for it to sprout
